ADAPTING MODERN WAREHOUSE MANAGEMENT TOOLS TO CREATE PROFITABILITY IN BUSINESS

Warehouses are an integral part of the supply chain. Efficiency of business depends on the adaptability and performance of the warehouses which is a determinant factor for profit of the business.

Indian Institute of Materials Management (IIMM) is a professional body approved by MHRD (ISTE) Govt. of India. We try to bring you the latest in management practices to develop the ultimate skill required for functional performance and value addition in business.

The Institute is a chartered member of International Federation of Purchasing and Supply Management (IFPSM), Atlanta (USA) Incorporated in Switzerland, which has its members in over 44 countries; and a truly global institute of repute for more than 50 years in India; with 63 branches networked across the country.

Chairman: P.V Paulson

IFPSM
